

# New Entrant Kit

Christmas Tree Council of Nova Scotia

---

We welcome you to the Christmas Tree Council of Nova Scotia and your foot in the door to the Christmas Tree Industry!

If you have made it this far, you have shown interest in cultivating Christmas Trees in the beautiful province of Nova Scotia!

CTCNS is a non-profit body that exists to serve the needs of Christmas Tree and greenery producers in NS and acts as an umbrella organization over the three regional associations: Lunenburg County Christmas Tree Producers Association (“LCCTPA”); Northeastern Christmas Tree Association (“NeCTA”); and the Cobequid Christmas Tree Growers Association (“Cobequid”). Members benefit from promotions, advocacy, programs and services provided by the associations and Council.

Much more is included when collaborating with CTCNS such as resources for business, production, research, collaboration, and personal development! The *New Entrant Kit* aids you to the start or is a directory to resources needed in the industry. See the next page or the rest of this package for useful items in your career!

Again, Welcome, from us at CTCNS and if you have any questions, feel free to reach out to us at [info@ctcns.com](mailto:info@ctcns.com) and 1-855-NSBALSA (1-855-672-2572).

- The CTCNS Team
